**Office Memorandum**

**Sub: Migration of Mining Service tenders from CIL e-Procurement portal to GeM Portal**

CMC Dept. ECL, has initiated steps to migrate procurement of Services from CIL e-Procurement portal to GeM Portal. As part of this initiative CMC Dept. ECL, conducted a Workshop, particularly for mining service tenders on 08-02-23, from 02.00 PM to 04.00PM. It was encouraging to see that 46 existing mining contractors participated in the said workshop in VC & Physical mode, in which an Official from GeM explained the details of registration, profile creation, catalogue management, bid participation etc. The official also answered queries posted by the contractors. Record Notes of the workshop has been already circulated to all service contractors.

Continuing in the path of above said migration, CMC Dept. ECL, hereby solicits all existing contractors for providing their valuable services to the company to get themselves registered in the GeM portal, update their profile and catalogue etc. in line with the guidelines given by GeM in the said workshop. CMC Dept. ECL will be floating pilot tenders in the next step and thereafter gradually fully integrating with GeM portal. It is therefore desired from all existing mining contractors to extend their support for smooth and seamless migration to GeM Portal.

  
General Manager

CMC Dept. ECL.
